Yes. She can decide who she wants on the call.

Hi, Bill:

Do you want me to follow up with Andrea? The site attorney for each site Jenny wants to discuss is:  
Anaconda Aluminum Columbia Falls – Mark Chalfant  
East Helena – Steven Moores  
Carpenter Snow Creek (Neihart) – Henry Elsen

It looks like Thursday February 11 from 10:00 a.m. to 11:30 a.m. works the best for everyone. I can set it up for you, me, Andrea, Jenny, and Tom Stoops. Let me know if there is anyone else you think we should invite.

Thanks,

Joe

Jenny,

I'm fine with a call. I will need an attorney on board since the issues are largely enforcement oriented. Joe, can you please check schedules and set up a time? There's an interesting story in the WSJ today that brings into question Glencore's financial stability.

Bill

Hi Bill -

I was wondering if we could look at scheduling a coordination call next week. Our governor's office received the attached letter from the Flathead County Commissioners meeting regarding

CFAC. We are wondering if EPA has a position regarding the Superfund Alternative Approach and if the statements in this letter is correct.

In addition, to CFAC I would like to touch base on a few other topic areas:

- East Helena Superfund Site – American Chemet and initiation of CERCLA negotiations.
- Update on OU-1 Neihart

Times currently open for a call are:

Thursday, Feb 11 – 10:00-12:00 or 1:00-3:00

Friday, Feb 12 – 8:00-10:00

Thanks -

Jenny
